Kids Plans

SelectHealth's Kids plans have been specifically tailored for children who are not currently covered under a family or individual plan. Major differences between the Kids and the individual plans include the following:

- There is **no supplemental accident benefit** offered with Kids plans.
- Kids plans **do not cover infertility, maternity, or adoption.**
- There is **no Rx deductible** in the Kids plans; however, the **pharmacy benefit is limited to \$500** per year.

Eligibility

The following eligibility guidelines apply to Kids plans:

- Children must be full-time residents of Utah.
- Kids plans are designed to cover single children only; a separate application is required for each child.
- An infant may be covered after his or her two-week checkup.
- The maximum age for coverage on this plan is 17. At the time of plan renewal after the child turns age 18, his or her coverage will transition to the most similar individual plan.
- Plans are not sold on a temporary or short-term basis; the minimum length of coverage is six months.

IMPORTANT NOTE: *Coverage is not in effect until the application is approved and an effective date is determined by SelectHealth. We strongly suggest that you carefully consider the impact of changing coverage, and do not cancel any current coverage until you are officially notified by us of approval. We reserve the right to decline coverage for any individual. Payment does not guarantee acceptance of coverage. If your child's application is declined for coverage, your original check will be promptly returned to you.*

Building Your Plan

Follow these steps to create the plan that is right for you:

1. Select a provider network
2. Select a plan level
3. Choose your deductible
4. Calculate your premium
5. Complete your application

STEP 1. SELECT A PROVIDER NETWORK

Select the network that best meets the healthcare needs of your child. You may choose from two networks based on the ZIP code where your child resides. These networks are Select Value® or Select Med Plus®. Note that by selecting the larger provider network, you will pay a higher monthly premium.

The Select Value Kids plan requires the use of participating providers (unless there is an emergency). A participating provider is a provider or facility that is contracted with the Select Value network. A complete list can be found at www.selecthealth.org.

The Select Med Plus Kids plan offers a point-of-service feature. This means that you may use both participating and nonparticipating providers (i.e., go out of network) for most services. Coverage is different for services rendered by nonparticipating providers.

STEP 2. SELECT A PLAN LEVEL

Base-Level Plan:

The medical deductible applies to most services.

High-Level Plan:

The high-level plan includes a medical deductible waiver. This means the medical deductible is waived for certain services, such as participating provider office or urgent care visits.

STEP 3. CHOOSE YOUR DEDUCTIBLE

Deductibles are based on a calendar year. The deductible applies to all services before any copay or coinsurance applies, unless you select the high plan level. Be sure the deductible you select is available for your benefit level. Out-of-pocket maximums include your annual deductible amount.

Deductible/ Out-of-Pocket Maximum	Base-Level Plan	High-Level Plan
\$150/\$2,000		✓
\$500/\$2,000	✓	✓
\$1,000/\$3000	✓	✓

STEP 4. CALCULATE YOUR PREMIUM

Please note the following about Kids plan premiums:

- Premium rates are based on the age of the child. Initial premium increases may be assessed based on underwriting review.
- Premiums are subject to adjustment each January 1 (if the original effective date is January 1 through June 30) or each July 1 (if the original effective date is July 1 through December 31).
- Premiums will decrease on the first of the month following the birthday on which the child turns seven.
- Premium rates are effective January 1, 2008.

Please use the information on page 7 to calculate your premiums.

STEP 5. COMPLETE YOUR APPLICATION

When completing the application, please read and answer each question or section. Incomplete applications will delay the approval process.

The application must be completed and signed by the parent or guardian of any child younger than age 16. Applicants who are age 16 and older may sign their own application.

Send

Send the following to the address shown below:

1. **Completed Application**
2. **Certificate of Creditable Coverage**, if applicable. If the applicant is not currently covered with SelectHealth, you will need to include a Certificate(s) of Creditable Coverage with the application. This certificate is provided by the previous health insurance carrier and must be submitted to receive credit for the child’s pre-existing condition waiting period.
3. **Premium Payment**. You may choose one of two methods for submitting the monthly premium: (1) the preauthorized banking withdrawal method, which automatically withdraws the premium from your checking account, or (2) the online billing and payment method. If you choose the online billing method, you will receive the monthly statement by e-mail and make your payment by electronic check or credit card*. Make your payment selection by completing the Payment Selection Form included with the application. Please keep the Payment Selection Form with your application when you submit it to your agent or SelectHealth. Your employer may not pay any portion of a child’s premium either directly or through reimbursement.

*Please submit personal checks or personal credit card information only.

General Information

PARTICIPATING PROVIDERS

Please carry your child's SelectHealth ID Card and use participating providers and facilities. If you do not, your child's claims may be denied. You are encouraged to have your child maintain a relationship with a participating doctor who focuses on primary care services (Primary Care Provider).

For a complete and current directory of participating Primary, Secondary, and Ancillary providers, as well as pharmacies and facilities, please visit www.selecthealth.org. If you need help finding a provider, call SelectHealth Member Advocates® at 801-442-4993 (Salt Lake area) or 800-515-2220. You may also contact your agent for participating provider information.

Once your child becomes a member, a complete Provider & Facility Directory, containing all participating facilities and providers for the plan you have selected, will be sent to you.

EMERGENCY CARE

If your child has an emergency, call 911 or go to the nearest hospital. You will pay a lower copay at a participating emergency room.

URGENT CARE

If your child has an illness or injury that is not life-threatening, but needs medical attention within 24 hours, call a participating provider. If the provider is unavailable, you may use one of the following services:

- Call Member Advocates at 801-442-4993 (Salt Lake area) or 800-515-2220. They can help you get an immediate appointment with another provider;
- Go to an Intermountain InstaCare facility;
- Go to an Intermountain ExpressCareSM clinic;
- Call an Intermountain KidsCare facility to schedule a same-day appointment; or
- If you are outside of the service area and need urgent care, go to any provider or hospital. You can save money on out-of-area services by using a Beech Street® provider. To find one, call 800-233-2478 or visit www.beechstreet.com.

PRENOTIFICATION

Participating providers will prenotify certain medical services on your behalf by calling us directly.

GENERAL PROVISIONS

These plans are designed to provide coverage for hospital, medical, and surgical expenses incurred as a result of an eligible accident or sickness. Coverage is provided for daily hospital room and board, miscellaneous hospital services, surgical services, anesthesia services, in-hospital medical services, and out-of-hospital care. Coverage is subject to any deductible, copay provisions, or other limitations that may be set forth in the Contract.

After your child is enrolled, you will receive the Contract and have ten days to review it before acceptance. If you decide to cancel within the ten-day review period, you may do so by notifying us in writing. You will receive a full refund of your premium. No premium refunds are available after the ten-day review period. If your premium is refunded, the Contract shall be void as if no coverage had been issued.

**GUARANTEED ISSUE GUIDELINES**

Your child is guaranteed coverage* with no pre-existing condition exclusion if he or she has met the following requirements:

- Satisfied all other eligibility and continuation requirements under the contract;
- Has an aggregate of 18 months of creditable coverage, the most recent of which was under a group, governmental, or church plan;
- Was eligible for COBRA or a similar state program, and you elected and exhausted coverage;
- Is not eligible for coverage under a group health plan, Medicare, or Medicaid and does not have other coverage; or
- Was not terminated from your most recent coverage for non-payment of premium or fraud.

**Coverage is guaranteed after your child is certified as insurable by the Utah State Health Insurance Pool. Such coverage may or may not be with SelectHealth.*

FAMILY DEPENDENTS

Family dependents are not allowed on a Kids plan. If your child would like to add a dependent to a plan, he or she will be given the option to enroll on the most similar, or a less generous, individual plan. This change must be made within 31 days of a birth, adoption, or placement for adoption. The added dependent will be subject to current eligibility and underwriting guidelines.

RATING METHODOLOGY

Premiums are based on a modified community rate methodology and will vary based on the premium provisions as defined in the Utah Insurance Code. Medical underwriters may make an evaluation of the health status of applicants to determine whether any surcharge to published premiums is necessary. Coverage may be declined on a particular child at the time of initial evaluation.

EFFECTIVE DATE OF COVERAGE

Coverage will become effective on the first or the sixteenth of the month as determined by our underwriting department.

RENEWALS

Premiums under these plans are subject to adjustment effective each January 1 (if the original effective date is January 1 through June 30) or July 1 (if the original effective date is July 1 through December 31). You will be notified at least 30 days prior to any adjustment. These plans are guaranteed renewable based on the terms stated in your Contract.

PLAN AND DEDUCTIBLE CHANGES

To request changes to the plan, follow the instructions on the Kids Plans Change Form (Change Form). This form is included in your Contract folder. All requests for plan changes are subject to underwriting approval. The effective date of any change will be determined by our underwriting department.

TERMINATION

At the time of renewal after a child turns age 18, his or her coverage will transition to the most similar individual plan design available, provided there is no break in coverage. SelectHealth will notify each member in writing within 30 days of this change. This transition will take place automatically unless coverage is terminated by you or the child.

Coverage will not be terminated for health reasons; however, it will automatically terminate for any of the following:

- Nonpayment of premium;
- Commission of fraud or intentional misrepresentation of material fact;
- The child no longer resides, lives, or works in the service area; or
- The selected plan is terminated.

If we do not receive your premium or we are unable to collect premiums from your checking or savings account, you will be notified.

You may cancel the Contract during the ten-day examination period. If you wish to cancel the Contract after the examination period, you must give us 30 days advance written notice.

GENERAL LIMITATIONS AND EXCLUSIONS

Accepted Medical Practice

Services determined by SelectHealth to be inconsistent with accepted medical practice or services that are illegal are excluded. This includes any service that is not generally recognized by the U.S. medical community as conforming to accepted medical practice, and any service for which required governmental approval has not been granted at the time the service is provided, including services which are investigational, experimental, or research in nature. Procedures, devices, drugs, or “biologics” for which there is insufficient evidence to determine their likely effects on patients’ health outcomes are also excluded.

Calendar Year

Unless otherwise noted on the Member Payment Summary, plan benefits are calculated on a calendar year basis regardless of when your child is enrolled. Out-of-pocket maximums and limited benefits start over on January 1.

Claims After One Year

Claims are denied if submitted to SelectHealth more than one year after services were rendered unless you can show that notice was given or proof of loss was filed as soon as reasonably possible. Adjustments or corrections to claims are denied if submitted to SelectHealth more than one year after claims were first processed unless you can show that the additional information relating to the claim was filed as soon as reasonably possible. Where SelectHealth is secondary coverage, coordination of benefit’s claims will be denied if submitted to SelectHealth more than three years after the date the claim was first processed by the primary carrier, unless you show that notice was given or proof of loss was filed as soon as reasonably possible. If it is discovered that SelectHealth is primary when they were believed to be secondary, and claims were submitted within the filing deadline to the other carrier first, SelectHealth will consider claims up to three years from the date of service.

Excess Charges

Amounts exceeding eligible charges are excluded. You are not responsible for excess charges for covered services from participating providers and facilities. Excess charges paid to nonparticipating providers do not apply to the out-of-pocket maximum.

Limited Benefits

Normally covered services that exceed benefit limits specified on the Member Payment Summary (e.g., dollars, days, visits) are excluded and not applied to the out-of-pocket maximum, including, but not limited to, services exceeding benefit limits for skilled nursing facilities, rehabilitation therapy, psychiatric services, etc.

Services, equipment, and supplies that are not medically necessary are not covered.

Noncovered Services and Complications

All related expenses, accommodations, materials, or care for noncovered services are excluded, including complications resulting directly from a noncovered service. When a noncovered procedure is performed as part of the same operation or process as a covered service, then only eligible charges relating to the covered service will be eligible for benefits. Eligible charges may be calculated to exclude any charges related to the noncovered service.

PRE-EXISTING CONDITIONS (PEC)

Limited Coverage of Pre-existing Conditions

Pre-existing conditions, if applicable, or sickness or injury directly resulting from or related to such pre-existing conditions are not covered until the child has been covered by SelectHealth for 12 months. See the Contract for details. Acceptance under these plans does not imply any waiver of pre-existing condition waiting periods.

Definition of Pre-Existing Condition

A pre-existing condition is a condition occurring or present in the six-month period prior to the child's enrollment date of coverage for which medical advice, diagnosis, care, or treatment (including prescription and over-the-counter drugs) was either received from or recommended by a provider.

Note: *If medical records or claims for your child document the presence of a pre-existing condition that was not fully disclosed on the health questionnaire, the child's coverage may be altered or terminated.*

- The previous healthcare coverage was terminated more than 63 days prior to the child's effective date of coverage with SelectHealth, or
- The benefits or services were not covered by previous healthcare coverage.

If we do require an HIV/AIDS test, we will not release the results of this test unless we have specific written permission to do so. Additionally, we will not request private genetic information from asymptomatic individuals for underwriting purposes. However, we may request private genetic information in certain circumstances to determine our obligation to pay for healthcare services.

If you are not present, or the opportunity to agree or object to a use or disclosure cannot practicably be provided because of your incapacity or an emergency circumstance, we may exercise our professional judgment to determine whether a disclosure is in your best interest. If we disclose information to a family member, other relative or a close personal friend, we would disclose only information that is directly relevant to the person's involvement with your healthcare.
